Dear Sir,

We confirm the receipt of your kind letter dated on May 5th., inst. the contents of which has been noted by us with a great interest.

We have read very carefully about your short "PEOPLE AT THE BEACH" and though we have found it as interested one - we don't see any possibility to show presently this film to our film-goers because we have our own great production of shorts and temporary we are looking for shorts for children only.

Nevertheless if the print will be in Europe please send it to our address to enable us to present your film to Selection Committee acting in our television.

With regard to Cuban television first of all we thank you for efforts to let us get in touch with Foreign Department of the same. Unfortunately we have not yet received any letter from Mr. Ibrahim Urbino.

Hoping to hear from you, we remain

with best regards
Yours truly
