

27
Cilla ad Villanob. d. Julio. et 1825.

Libro capitular de...

de curia et de...
de... =

Faint, mostly illegible handwritten text, likely bleed-through from the reverse side of the page. The text appears to be organized into several paragraphs or sections, with some lines starting with capital letters or specific markers. The ink is very light and the paper shows signs of age and wear.
